We hope the yearbook you hold within your hands will aid in the preservation of all of the memories you have accumulated from 2008- 2009 at J. Percy Page. Within these perfect panels of captured life, lurk memories and reminisces, laughter, perhaps a touch of nostalgia but most of all that which was shared this past year. Go on, flick through the pages and lose yourself in memories, for we age but our high school memories do not. Like mosquitoes trapped in amber, these photos will continue to speak of all that transpired long after the book is closed. All you have to do is listen...

## Principal's Message

This yearbook has been assembled to capture your experiences at J. Percy Page over the past year. As you flip through the pages may it bring back fond memories of this positive and active learning community. May you always remember the staff that supported you in your academic success, the activities which made J. Percy Page an exciting place, and the friendships you made.

Thank you for making J. Percy Page the amazing school that it is. I wish you all success and happiness.

# Assemblies

## Speakers

**The highlight of this year's assemblies was the motivational speaker, Mark Scharenbroichs whose unconventional approach, extraordinary humor, and personal stories appealed to administration, teachers and students. He reminded all of us about the importance of reaching out to each other with kindness and compassion.**

# Eid Celebration.

Eid ul-Fitr

Eid ul-Fitr or Id-ul-Fitr (Arabic: إِيدُ الْفِتْرَة), often abbreviated to Eid, is a Muslim holiday marking the end of Ramadan, the Islamic holy month of fasting. It is celebrated starting on the first day of the Islamic month of Shawwal. It was a wonderful feast and celebration enjoyed by both Muslim and non Muslim staff and students. .

# Multicultural Week

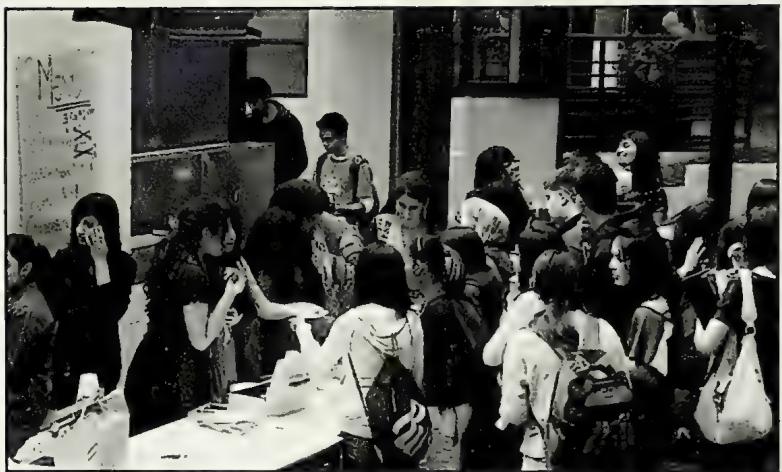

Finding unity in diversity...

A swirl of colours, vivid shades of oranges, yellows and greens mimicking that of delectably exotic spices and fruits; whispering of lands far away filled with warmth and breathless secrets of untold myths. Chinese dragons stomped, twirled and danced as though they were weightless through the hall- diving and whirled on the breath of murmured tales of times long past. Irish dancers jumping and planting their feet deftly, with sighs of grace mingled with agility. Traditional Indian dances performed with smiles and the bright dye of the thick, yet gauzy material trapping the eye and holding it in a whirl of fabric...This was J Percy Page's multicultural event.

**2008-09 J. Percy Page Swim Team**

Jessica Avalos, Marko Blaza, Amanda Clark-Marlow, Cameron Dumpleton, Rachel Cook, Dylan Dyck, Shahmeran Gilani, Alysha Kant, Ashley Purcha, James Lord, Joshua Moisan, Marissa Palmer, Cara Gimblett, Melissa Hodder, Kyle Hoffmeier, Michelle Lam, Aaron Machuca, Andy Mawji, Di Pakku, Nicole Parent, Shanna Reichert, Divya Saxena, Shubham Shan.

Coaches: Mrs. Debbie Younger and Siubhan Drinnan

The 2008 swim season was a successful one that saw many great swims at numerous meets. There were 20 swimmers participating at City Finals on November 26. Swimmers demonstrating superior effort & attendance this year were Ashley Purcha, Marko Blaza and James Lord. The most improved swimmers were Alysha Kant and James Lord. Congratulations everyone!

Thanks to all volunteers, but especially to Mr. Ken Purcha for his continued support of the team. We are all looking forward to next fall where we can improve our times and compete again in the pool. If you enjoy swimming, come out and join us for the 2009! The Swim season begins in September.

# Water Polo

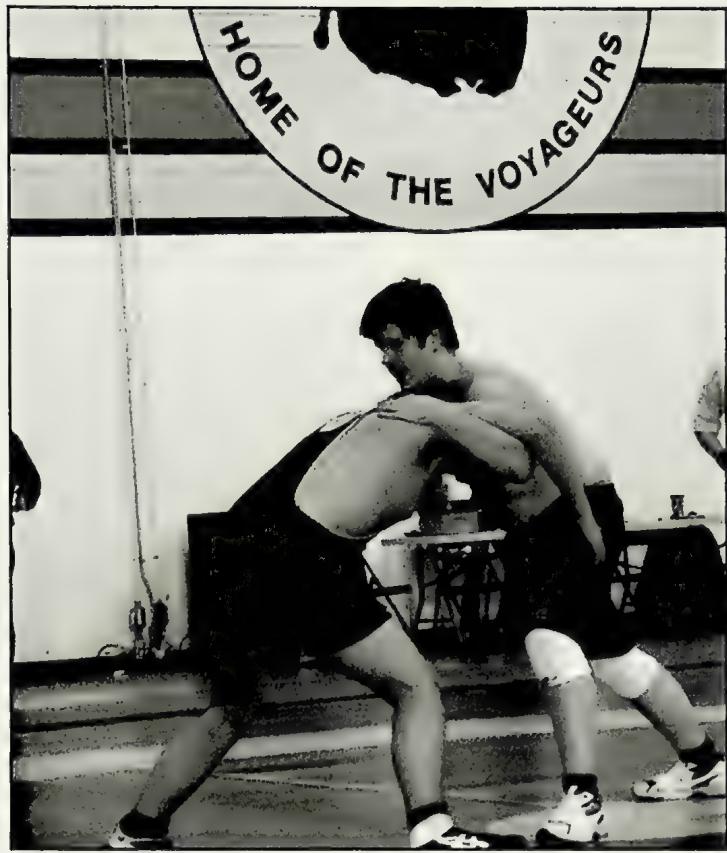

**2009 J. Percy Page Water Polo Team**

Marko Blaza, Travis Campbell, Dylan Dyck, Alysha Kant, Ashley Purcha, James Lord, Josh Moisan, Pavan Patel, Jimmy Prince, Cally Oviatt, Philana Konietz, Jesse Gilson; Coach: Mr. Dan Forshner, Teacher-Sponsor: Mr. Russell Lyons

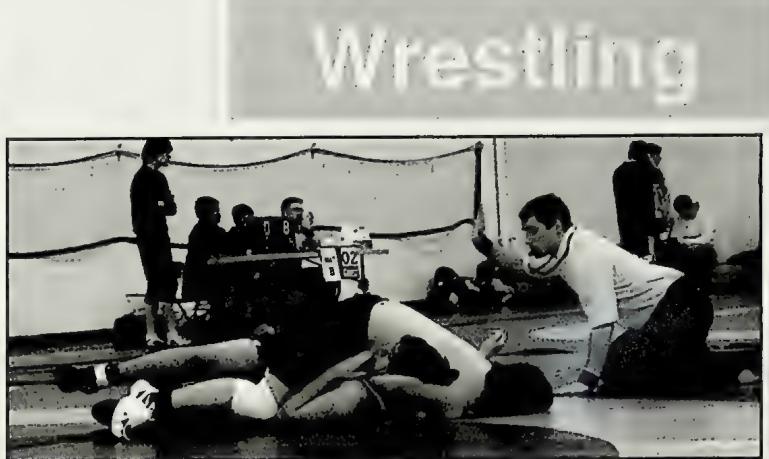

Thanks to all the dedicated Water Polo team members that brought Water Polo back to Page this year. This year the team brought excitement and awareness to the sport that should help Page build on their successes with future teams. Thanks to coach Daniel Forshner who guided the team throughout this inaugural season.

#### 2008 - 2009 J. Percy Page Wrestling Team

Ashley Purcha, Alysha Kant, Nikki Bell, Andy Mawji, Dylan Dyck, Travis Campbell, Brandon Hopkins, Karim Moussaoui, Shah Gilani, Tyler Hayes; Coach: Mr. James Anderson

We had a great year with nine members on the team. The team competed hard at the various dual matches, the U of A wrestling tournament, and City Finals. Way to go, Page Wrestlers!

...Mr. James Anderson (Coach)

The golf team had three players compete in the league this year. They competed in the Eastglen tournament and the City Championships at the Links Golf Course. The athletes represented J. Percy Page well, with special note going to Tyler Lofstrand who finished in third place at the Eastglen tournament. Special thanks goes out to our coach, Mr. Jamie Gilson.

## City Champions 2008

The J. Percy Page team had a tremendous 2008-09 season! The team began slowly with a tough start, losing to McNally in the season opener. However, this loss would be long forgotten as the team whipped off 3 straight victories on their way to the playoffs. In the playoffs, the team went a perfect 2-0 to win the City Championships (Gillfillian Conference). The City Championship was particularly satisfying, as the team bested McNally 27-6 in the final to avenge that first loss of the season.

Way to go, Panthers!

# Senior Mens Volleyball

## Sr. Men's Volleyball 2008-2009

The Senior Mens Volleyball Team was comprised of a group of talented young men who were not only extremely focused but also highly motivated.

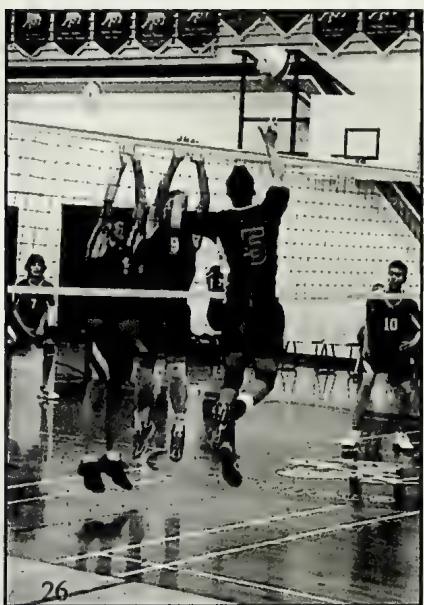

The first highlight of the season was our trip to Vancouver to compete in the University of British Columbias 40-team tournament. In a tournament that features the best teams from B.C., Alberta and Manitoba, our boys represented our school well, showing that we can compete on a provincial level.

The second highlight of our season was the Top Gun Invitational Volleyball Tournament. Teams visited us from British Columbia, Manitoba and Alberta. Again, our young men played admirably and showed that we can compete at a high level.

It is with great sadness that we say goodbye to seven long time contributors to Panthers Volleyball, in Sam Badre, Scott Dickson, Hamed Hakwik, Tyler Lofstrand, Stefan Luedersdorf, Matt Ramshaw, Cory Schmidt, and Nathan White. We wish them well in all their post-secondary athletic endeavors.

We are happy to be returning 4 strong players in Mogtaba Abdelmoniem, Jarrod L'Hirondelle, Tyler Ludwig and Adam Prince. In addition, we are looking forward to the graduating players from the Junior Boys teams to round out our roster for next fall.

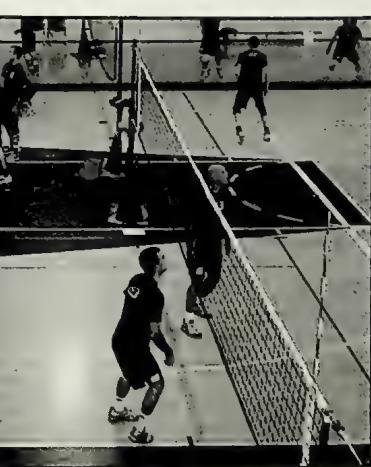

Thank you for supporting us all season long, and we look forward to seeing you in September 2009.

# Senior Womens Volleyball

The Senior Womens Basketball Team was made up of an athletically gifted group of girls who were extremely competitive and amazingly focused for the duration of the season.

The girls worked extremely hard all season and were able to earn a berth in Edmonton Public Schools Premier Conference playoffs for the first time in 4 years. While up against difficult opponents all season, our girls managed to compete at the very highest level and improved vastly over the season.

This year we unfortunately have to say goodbye to three year senior Erin Oviatt, as well as two year senior Shakera Mairs and first year senior Kayla Neumann. The effort and dedication put forth by these players will be greatly missed.

Fortunately, we are returning a great number of strong players for next year in Sarah Elsahib, Chanel Kasusula, Jordan Lucas, Raylene McLafferty, Vickie Nguyen, Cally Oviatt, Alysha Pickle and Tara Strekies.

As always we are grateful for the support we received from our fans over the course of the season, and are looking forward to the same support next season!

The junior boys competed in the City Conference with a record of 2-3, just missing out to challenge for the premiere conference. They also competed in 4 tournaments, finishing second at the QE tournament in October. They had a great season and learned a lot, both as individuals and also as a team.

# Junior Womens Volleyball

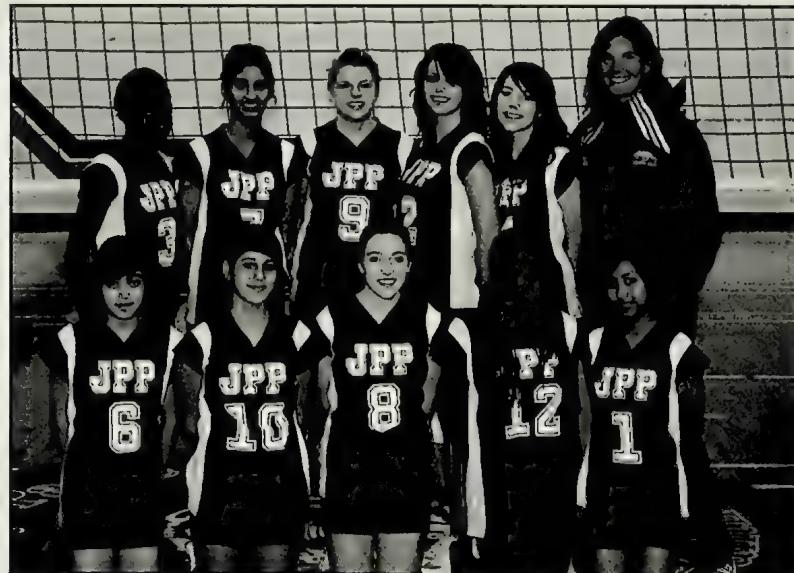

The Jr. Women's Volleyball Season was a busy and eventful one. The team worked hard a minimum of 4 days a week practicing and playing volleyball. Every weekend in October they participated in various tournaments throughout the city and in Canmore which gave them a weekend in the Rockies hiking and shopping in Banff. The team improved steadily throughout their 10 week season both in their skill level and team cohesiveness. Many athletes were able to play different positions on the court which added to the teams depth. However, the girls lost a hard fought battle in the quarter final, 3 games to 2, but can be extremely proud of their team and individual accomplishments and improvements as volleyball players. It was a true pleasure to coach these young ladies and see volleyball grow at J. Percy Page High School.

# Junior Mens Basketball

The junior varsity basketball team had a great season! This wasn't reflected in our wins during regular season play but we had some great performances in tournaments. We had an incredible come from behind win against St. Francis in their tournament and we placed second in Chestermere's tournament after battling hard in the final game. Throughout the season, our team continued to progress and became a very cohesive group. These boys were an absolute pleasure to coach and we were very proud of their accomplishments as players as well as individuals. This was a very special group of gentlemen; their determination and passion for the game was exemplified on and off the court. We didn't have as many wins on the court as we had hoped for, but all of our players were great kids and the season was a definite success. They have a bright future ahead of them and we are excited to be a part of that.

The Page team had a tremendous year on and off the field. The team started off indoor training in March, and it paid off in the early part of the season. In our first tournament of the year in Sherwood Park, the team won 2 games and only lost one. With so many rookies on the squad, this was a great start to the season. The following week saw the team play in the Pirates Sevens tournament where our men went undefeated to take top honours. Also, a member of the team was selected as Global TVs Athlete of the Week Wylie Karpinski. Unfortunately, having a small squad started to affect the product on the field during the regular season. With only 15 players available due to injuries, the team played three regular season games and lost all three. The games were all close, but for two of them, the team actually played short-handed with fewer than the required 15 players. In the playoffs, they lost their first game to M.E. Lazerte in a close contest 20-15, again only playing with 14 players. We hope to build on this season next year with most players returning, and we hope to get more new players out.

The girls had a very promising start to the season with a couple of wins at the Druids tournament, followed by winning the Pirates 7s tournament. Sadly our season was cut short as injuries and prior commitments lead us to not have a full roster. But the girls played really hard and had an excellent short season.

## London & Paris

The J Percy Page Panther Travel Club ventured off to London and Paris over Spring Break this year. In total, 14 students, Mr. Prosser and Ms. McCullough-Clink managed to escape the grey, bleary winter of Edmonton and see some pretty amazing sights. The group spent six days in London and four in Paris. While in London they rode the London Eye, visited the Tower of London, Windsor Castle, St. Pauls Cathedral, Shakespeares playhouse, and West Minster Abbey and ate some good fish and chips. They travelled out of the city to see Stonehenge and Bath. As well, some night entertainment included two shows in the West End Theatre District- Blood Brothers and Cabaret. The high speed TVR under the English Channel then landed them in Paris where they visited The Louvre and DOrsay with a final stop at the Eiffel Towerclimbing to the top no doubt!! An experience they shall all never forget.

# Clubs

## Italy

The Page Travel Club, including eighteen students, parents and teachers had an amazing experience going to Italy over Spring Break. They spent twelve days in bella Italia and had a great deal of fun in Rome, Vatican City, Florence, Assisi, Venice, Pisa, Pompeii, and Capri. They toured such sites as the Colosseum and Trevi Fountain, were awed by the Sistine Chapel, serenaded by a gondolier in Venice, played in the sun in Capri and explored the ruins of Pompeii.

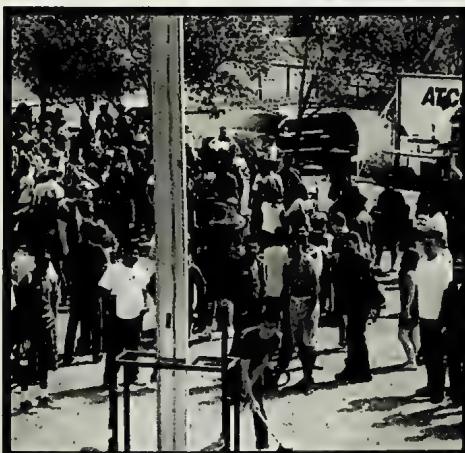

The students enjoyed cappuccinos in charming sidewalk cafes and sampled every flavor of gelato and pizza there is. They solidified already strong relationships and made new life long friends while they experienced the wonder of one of the most beautiful countries in the world. They learned about themselves, each other and the world.

### Compassion- Do We Truly Know The Meaning?

Compassion. What does compassion mean to you? Do we truly know the meaning of the word? As valentines day has passed, were you left feeling deflated or elated? Did your heart burst with 'love' upon receiving a card and a heart shaped box of chocolates? Or was your heart left lonely and broken, as you sat with empty hands, hearts; chocolates, and flowers no longer signs of sweet sentiment, but instruments of torture. You sit alone, or seemingly alone

in your mind, locked in a world of self pity; for no one loves you do they? Though, you can guarantee that for every one person you think loathes you, or turns the other way when you walk in their direction- another few adore you, and turn and look after you have long passed, wishing that you were still standing there. Perhaps they feel for you not the love that Valentines Day celebrates, yet they love you nonetheless. High school dreams of ro-

mance are fickle and illogical, what matters more, the false love of someone for three short years of high school, or the unconditional love of a family member, of close friends, of pets. Within this edition of The Pawprint we explore the depths of compassion- for love, and compassion come in many a different forms, many a different shapes, more shapes than mere heart shaped boxes of chocolates.

### Unfortunately, There Is No Pinocchio's Nose

"The truth is ... we are all liars." We are likely to lie several times a day, most of us fib in one of every four conversations that last more than ten minutes. Even though that we won't realize and appreciate it, lying is a part of our everyday lives. The dictionary meaning of a 'lie' suggests conveying a false statement intentionally. But really, why do we lie?

It seems like the kind of question asking why the grass is green, but if we think about it: we lie mostly to protect ourselves and others. We lie to protect others' feelings, and to get what we want and need. We tell all sizes of lies: small, medium, large, some even x-large. But the interesting fact is that we tend to lie usually to the same person: the one we care most deeply for. Small, medium lies tends to make a relationship more flexible, as it shows consideration for the other partner's feelings. If there is some kind of a mutual care involved, each of the partners

should have tremendous understanding and knowledge of the other. However, a relationship founded upon all false statements, equates to no relationship at all. For eventually its going to fall in the hands of being depression. A lie told, repeatedly comes back, rebounds over rebounds, takes some time to build, but not long; eventually the person is sucked in, as it lies unmoving, tangled up in the web of its own lies. The person in one's own shame and regret drowns. In the end, it's for one to decide - do we want to live a trustworthy life and a well deserving relationship or be suspicious and risk disbelieving those who are telling the truth?

Are you in a first-time relationship? Trying to figure your partner? Do you think he's making up stories when he says that's the reality? Despite living in a considerably high-tech society, there is no single sure way to detect

- University students lie 50% of the time to their mothers
- Men and women lie equally
- We lie the most on the telephone but the least on the internet.

## A Year in the Wellness Centre

The year passed by quickly with a few events to remember and reflect upon. The year kicked-off with the Kwantum Motivational Challenge (KMC). The point of the KMC was to promote the 7 dimensions of wellness. The event was a huge success in promoting an overall healthy lifestyle making students aware of all the dimensions of living a healthy and active lifestyle. The KMC also helped to promote the wellness centre and more students got memberships and continued working out regularly.

The wellness centre also has a Wall of Fame posted all year round. The point of the wall of fame is to congratulate those individuals who work hard to improve their health and can perform in specific exercises. It is a fun and competitive way for students to prove their talents without the face to face competition. Towards the end of the year students have been competing to beat the best scores on the wall of fame. The last exciting event and the most recent that the wellness centre has completed is Fit Chick Wednesday. This started as a fun and unintimidating way to get some ladies to workout and feel more competent in the wellness centre. It started as once a week and changed to 3 times a week because the girls wanted to workout more often. It was a huge success in educating a group of young women about fun, intense, full-body workouts. The classes began the first week back from spring break and continued until the beginning of June when studies take priority.

While the last few weeks dwindle down here at Page the wellness centre is mostly being used by athletes who are working out hard in their offseason. There are also a few girls from Fit Chick classes that have learned working out is a good stress relief before they go home

and study.

# Mathematics

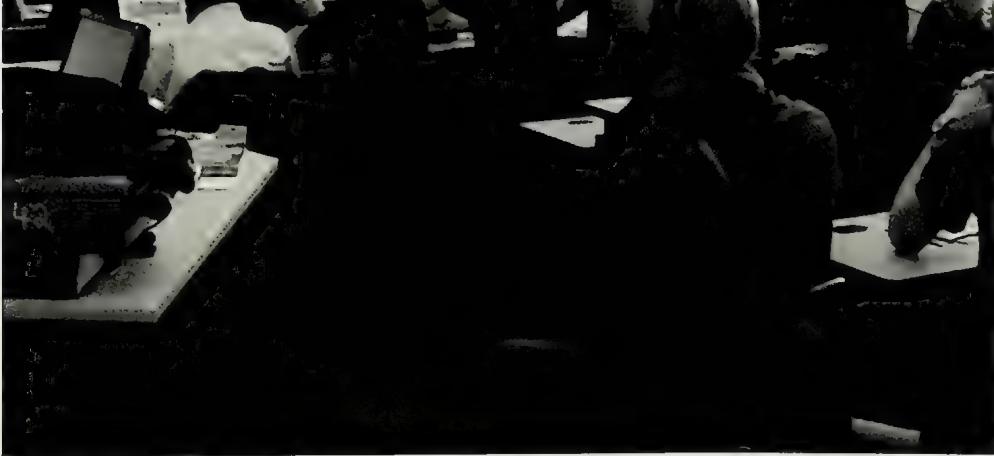

Those within the math department have been busy solving sums, adding equations and working will all manner of formulas this year; and all of the departments teachers making those sums a little easier to digest. Whilst on the topic of digestion, this year's Pi day was celebrated like no other, with a student vs. staff pie eating contest. The teachers were victorious, whilst students tasted bitter defeat.

# Sciences

In 2008-2009 Smart boards, probes and laptops began to show up in many of our classes. Video conferences continued to connect us to people and places outside our school. Physics 30s connected with the U. of A. for the Big Bang Factory and the Bio 20IBs joined the Bamfield Marine Station to examine marine populations. Field trips taken by the Chem 20IBs and the Physic 20s allowed us to make ASA and Bakelite at the U. of A. chemistry labs and to experience physics on the rollercoaster at West Edmonton Mall. The Canadian Blood Services once again returned to Page to present to our Biology students their presentation on blood and blood typing. Everyone, in the Science Department, wishes our graduates the best of luck in the future.

# *Social Studies*

In Social Studies, students acquire the basic knowledge, skills and positive attitudes needed to become responsible citizens and contributing members of society. The content of social studies draws on history, geography, economics and political science. One of the highlights this year was the Holocaust Symposium.

# English

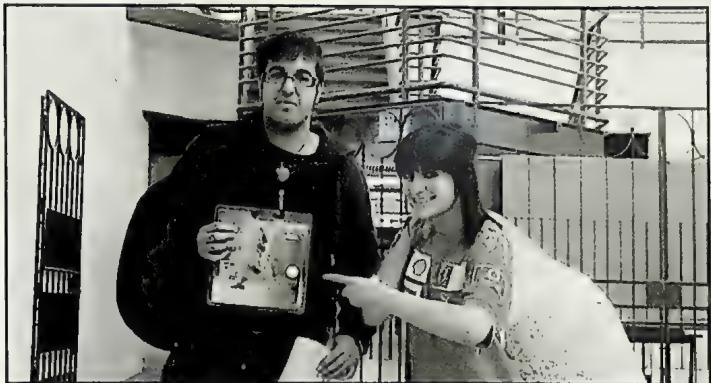

Well of course English is the best course to take at Page along with the best team of English teachers the province could find! There were novels to be read, plays to be acted out, projects, visuals and more to be completed. On behalf of the entire English team we wish the graduates all the successremember, if you can write and think, thank an English teacher.

Colleen McCullough-Clink

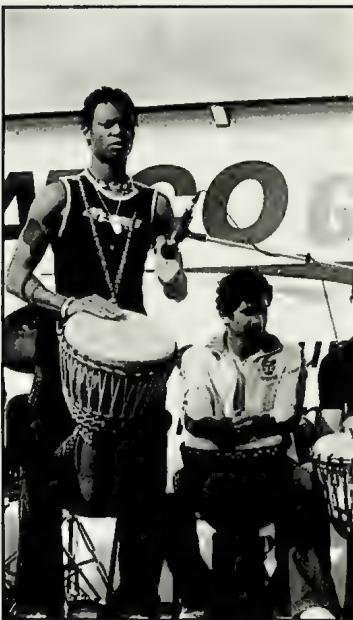

# Exit Projects

Those who can, do. Those who can do more, volunteer. ~ Unknown Author

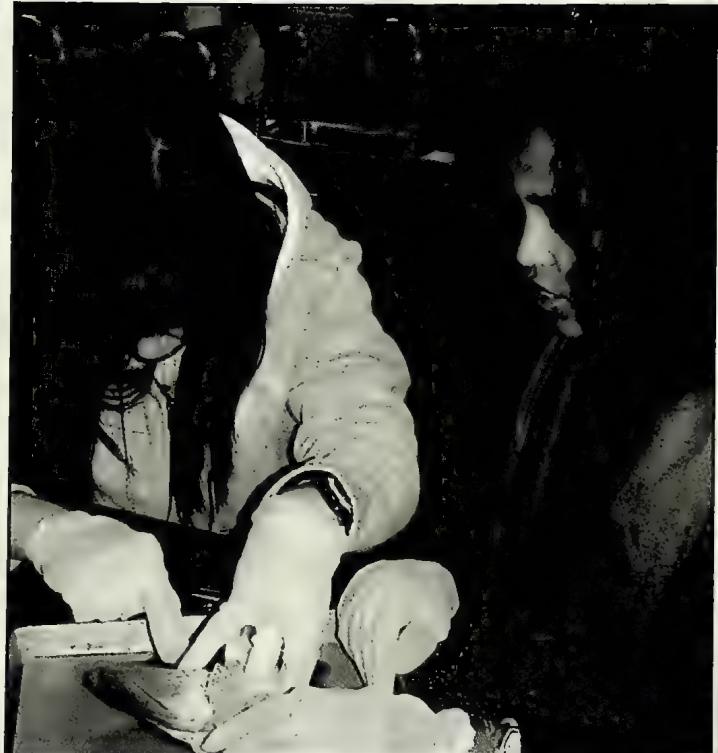

## Exit Projects

Exit Projects have been a huge success because of the great work done by our students. The students at J. Percy Page have volunteered to assist seniors, sick children, people with disabilities and several other groups within our community. Students have also begun several community initiatives such as helping other youth through tutoring, mentoring and coaching.

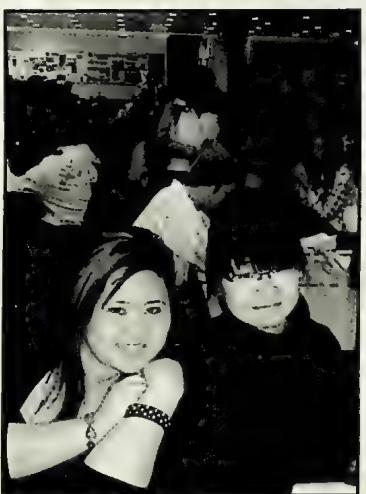

# ELL

A different language is a different vision of life. ~Federico Fellini

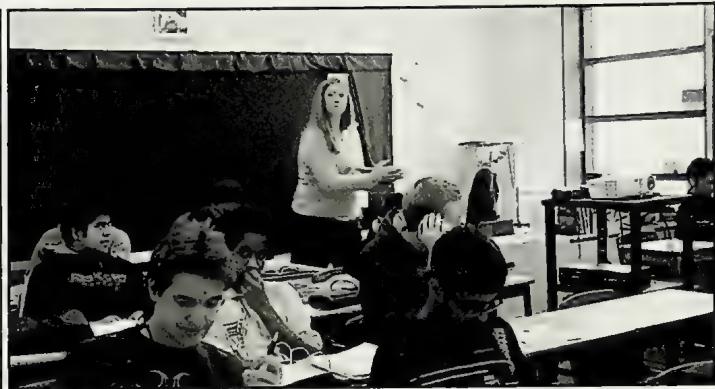

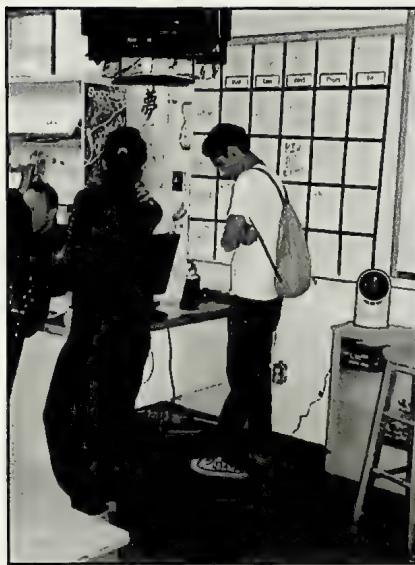

**ELL**

This year, the ELL students had many opportunities to practice their English skills inside and outside the classroom. The students participated in a field trip to Grant MacEwan and Norquest College to learn about post-secondary opportunities. Students also visited the Edmonton food bank to help sort and organize food as part of their Exit Project. We were fortunate this year to have such great community organizations to help out in the class. Ms. Leung

# Languages

# Drama

The Drama Room was once again a hub of high energy, creativity, success and excellence in the 2008/2009 school year! While the Drama 10s learned the ropes of the theatre world, experimenting with character, movement and motivation as well as the many aspects of technical theatre, the Drama 20s and 30s applied their skills in A. R. Gurney's production of *The Dining Room*. The Drama 30 students had the honor and challenge of directing the Drama 20 students in scenes from this play. All students worked together in every aspect of theatre, lights, sound, make-up, costumes, set design, publicity and management to make it all happen. The Drama 10 students in the second term had a memorable experience of their own performing *Death by Dessert* by Nathan Hartwick an interactive murder mystery comedy where one of our lucky Fine Arts Night attendees went home with a prize for guessing who dun nit! Our choral class worked hard throughout the term as well growing as an ensemble, learning to blend their sound, creating amazing harmonies and finally showing off their own style and talent during our annual Pop Diva event. As always, Drama and Choral students were treated to a live theatre performance at the Timms centre Stephen Sondheim's musical, *Assassins*. The experience is always a brilliant demonstration of the real world of theatre and what students can ultimately aspire to create.

Best of Luck to all of my grade 12 students thanks for your efforts, creativity and leadership.

Mrs. Hawreliak

# Guitar

"My guitar is not a thing. It is an extension of myself. It is who I am."~ Joan Jett

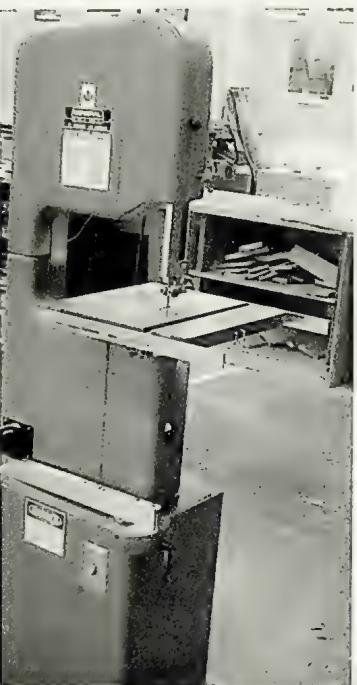

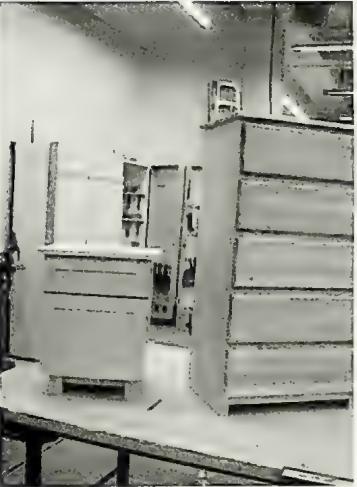

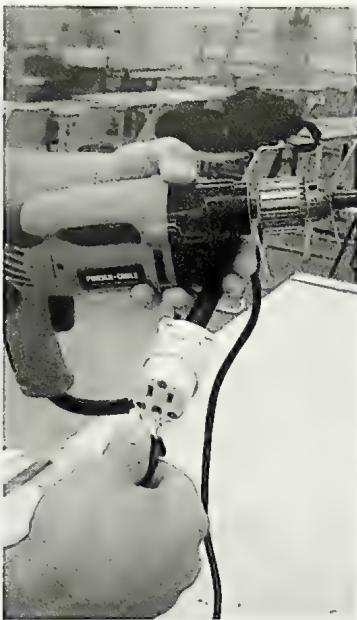

Music can be, if not is, the vocalization of the soul. Students within Mr. McNicoll's class have learnt how to channel that vocalization through their guitars, from the extraordinary displays of talent at J. Percy Page's Annual Talent Show, to an enticing performance at Page's Open House- these students have continued to shine- both in and out of class. Notes can always be heard drifting from the music room, and sometimes there are no better drifts to be heard.

# Building Construction

- The road to success is always under construction ~ Lily Tomlin

# Auto Shop

Ambition is a dream with a V8 engine ~ Elvis Presley

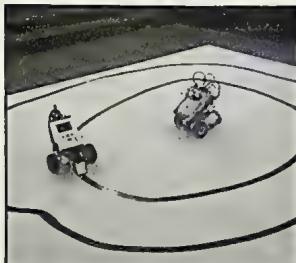

Auto class was an experience not easily forgotten by those who participated in this stimulating class. Students were allowed to revert to their childlike selves as they got messy taking things apart, and putting them back together again.

# Computers

Success, one click at a time...

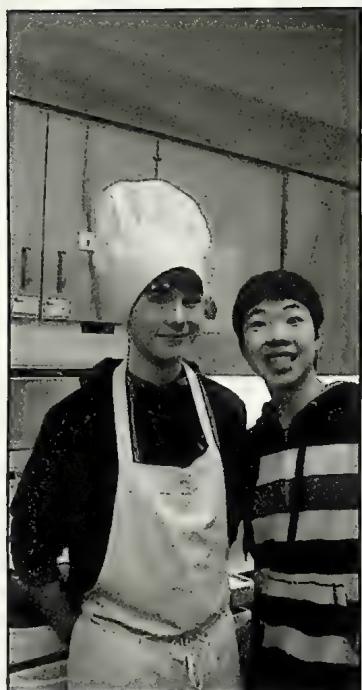

# Foods

Serving brilliance on a plate.

This past year, the foods room has been filled with all manner of delectable smells- leaving students wandering around the school with their mouths watering. The foods students' gained culinary skills while working together to create delicious food, that whipped Page into a frenzy.

# Cosmetology

Learning the art of beauty in all of its forms

The cosmetology class have been preening, primping and styling their way to brilliance! From raising funds by selling hair extensions, to performing manicures and apply nail decals at Page's open house- these students have worked extraordinarily hard. Beauty comes in many different forms, and these talented students have learnt how to showcase them all!

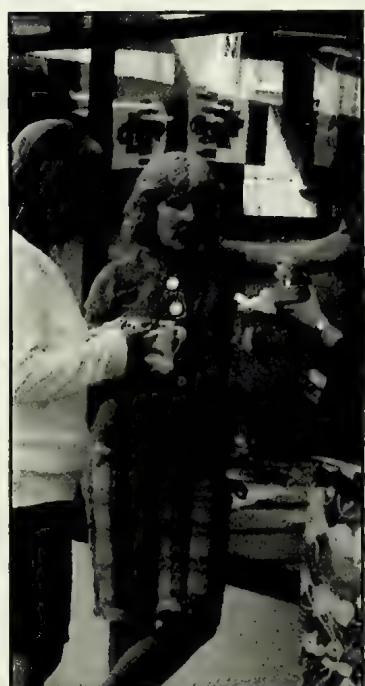

# Student Services

...helping students with academic, career and personal needs

Student Services helps students in a great many ways from developing academic goals and career planning to personal councelling.

## Art

It has been an exciting year for Art. We have a new kiln purchased from casino funds, and have been taking full advantage of the creative possibilities it affords; students loved working with clay this year. This year also marks the first year that IB Art 30 students completed their courses, a big accomplishment for those involved. Many students helped to beautify our school by painting backdrops for Page TV and by painting the Student Union door. We have many talented students at Page, evidenced by the work produced day in and day out in the Art classes. Thanks, everyone, for the hard work and commitment to your school!

## A Second Term for Harper

After an unprecedented constitutional drama, a federal election is called and on November 14, 2008 Stephen Harper secures a second minority government.

NDP leader Jack Layton, Liberal leader Stephane Dion and Bloc leader Gilles Duceppe sign a coalition in an effort to replace the minority Conservative government.

Gov. Gen. Michaëlle Jean grants Prime Minister Harper's request to suspend (prorogue) Parliament.

Michael Ignatieff replaces Stéphane Dion as federal leader of the Liberal Party.

Jean Charest becomes the first Quebec premier in more than half a century to win three consecutive mandates.

59.1% of Canadians voted in the Federal Election, the lowest since 2004. Only 56.5% of voters cast ballots in Quebec's provincial election.
